

## COVID-19 Curbside Policy

In order to keep you and our staff safe, all appointments are **curbside only**.

### Curbside Appointment Process

1. Call us when you and your pet have arrived
2. A member of our team will come out to meet you and bring your pet inside
3. Your pet will be accompanied at all times, making sure they're safe and comfortable throughout their visit
4. Your veterinarian will call or video chat with you after your pet's exam to discuss the results and any recommended treatments
5. You'll approve all treatments and costs before your pet is treated and you are charged

We appreciate your understanding as we continue to do our best to keep everyone happy, healthy, and safe.
